ADD TO YOUR PERSONAL ADORNMENTS

By the Use of Newbro's Herpicide

A pretty woman may enhance her beauty, and a plain woman become good looking by the proper care of her hair. Nice hair, pretty hair, growing on the head it adorns, is one of nature's greatest beautifiers.

The kind of hair which always makes us look the second time, follows the use of Newbro's Herpicide, and is possible for every woman.

Regular applications of Herpicide kill the hair-destroying dandruff germ, keep the hair from coming out and add to it that luxuriance, snap and luster which are essential to hair beauty.

Newbro's Herpicide is the Original scalp prophylactic. All other hair remedies claiming to kill the dandruff germ are simply trying to trade upon the reputation of genuine Herpicide.

Applications may be obtained at good barber shops and hair dressers. Send 10c in postage to The Herpicide Co., Dept. R., Detroit, Mich., for sample and booklet.

One dollar size bottles sold by all druggists under an absolute guarantee. **WELLS & HAYMAKER, BURKE'S PHARMACY, Special Agents.**

CONRAD GIRL

Will Remain in the Home of
the Good Shepherd at
Wheeling.

WHEELING, Jan. 14.—The investigation of the cases of Mamie Conrad and Rose King, two young girls who were picked up here some time ago by the police after being seen on the streets in company with two intoxicated men, has been investigated by Judge Robinson, who has received letters in relation to the girls from officials of Clarksburg and Harrison county, their former home.

It will be remembered that a few days ago, John Marano, an Italian, turned up in Wheeling, claiming that he had married the Conrad girl, but it later developed that the license had been sold to another couple, who were married under the names of Marano and Conrad. The license was issued at Fairmont.

The Conrad girl was sent to the Home of the Good Shepherd at Edgington Lane, and will be left at that institution.
